SLIA AWARDS FOR ARCHITECTURE -2024

RESEARCH AWARDS

The SLIA wishes to announce the SLIA Awards for Architecture 2023/2024.

The Awards Committee was able to make all the arrangements to submit entries on line with exclusive web portal to showcase shortlisted members work more visible to public. This year the Awards will be presented the Annual Sessions during the Inauguration ceremony 2024. Presentations will be held in 2024 for the Short-Listed Nominees.

1.   BACKGROUND

In this context the SLIA wishes to encourage its members to engage in **research work** and recognize their contribution towards knowledge dissemination. Towards this end, in addition to the Research Award which was already created to offer recognition and appreciation of members' contribution in the areas of Architectural research, a Publication Award was created in 2008 to offer recognition and appreciation of members' contribution in the areas of Architectural publications.

2.   CRITERIA FOR SELECTION

SLIA Architectural Research Award

The "SLIA Architectural Research Award" will be offered on an annual basis (coinciding with the SLIA Annual Sessions) to recognize and appreciate outstanding contributions to research in the last 05 years.

The selection will be based on self-evaluation of one's work on the basis of the following criteria:
(Minimum 05 submissions of each will carry full marks)**

SLIA RESEARCH AWARD

Notes:

*   Indexed Journals are those that are tracked by reputable indexing services such as the Science Citation Index, Social Science Citation Index, Arts & Humanities Index, RIBA Index, Cambridge Scientific Abstracts, etc. Proof of index must be submitted. Usually, the Journal cover page (or its table of content page) will list the indexing service/s used. A photocopy of such page is sufficient.

**   Publications based on creative work should not be a mere collection of pictorial evidence, but a valued research work. The author's research contribution must be submitted in narrative form.

The Council may decide the number of Awards from among those applicants who meet the minimum criteria. A ranked Award (First, Second, Third or Gold, Silver, etc.) may be decided upon by the Council.

3.   ELIGIBILITY
         All members of the Sri Lanka Institute of Architects are eligible to apply.

         SLIA Architectural Research Award
         The eligible works are those publications and conference presentations that appeared in print during the 05 year period preceding the closing date of application.
